DCI/IC 75-1503 13 January 1975

	MEMORANDUM FOR: D/DCI/IC				
	SUBJECT: "Interagency Computers" Reported by NBC News				
	1. This morning I had a phone call from who is serving as a consultant to the IHC. He is an ex CIA employee, who at one time was the head of the Agency's Office of Computer Services. He reported as follows:				
**	A few days ago, NBC news, which saw in Los Angeles, ran an item which mention the passing of files and information among intelligence agencies using computers. There was reference to a HARVESTER computer.				
	2. NSA has had an activity called HARVEST related to computers.*  deduced that the reference to interagency interchange could refer to COINS, but that was not mentioned.				
. /	3. I am taking no further action on this beyond advising you				
	and sending a copy to the Chairman, SIGINT Committee and the Chair-man, SECURITY Committee. If you wish me to act further, please advise.				
	and sending a copy to the Chairman, SIGINT Committee and the Chairman, SECURITY Committee. If you wish me to act further, please advise.				
	and sending a copy to the Chairman, SIGINT Committee and the Chair-				
	and sending a copy to the Chairman, SIGINT Committee and the Chairman, SECURITY Committee. If you wish me to act further, please advise.  Chairman, IHC  cc: Chairman, SIGINT Committee				
	and sending a copy to the Chairman, SIGINT Committee and the Chairman, SECURITY Committee. If you wish me to act further, please advise.  Chairman, IHC  cc: Chairman, SIGINT Committee Chairman, SECURITY Committee (via LDX)  (* - The HARVEST system contains NSA's "end product." It includes about the last 10 years. It is being phased out in FY-75. The capability
